

dr Loek Pijls pmp

Presenting & Chairing at Congresses, Symposia & Trainings

Leadership

1. 22-23 October 2019. Nutrevent, Session Moderator. Rennes, France
2. 19 June 2019. Personalised Nutrition Symposium. Joined the Quisper Scientific Advisory Board. Brussels.
3. 16-17 April 2019. Fit4Food20130 Workshop. Invited Expert to Research & Innovation Showcases in the Food System. Brussels
4. 9-11 April 2019. EuroFIR Food Forum & General Assembly, Member of Board of Directors, Brussels
5. 5 April 2019. Masterclass Voedseltransitie, Schuttelaar & Partners, Den Haag
6. 28 March 2019. Netherlands Academy for Nutritional Sciences. Spring Forum & General Assembly, Utrecht, The Netherlands
7. 29-30 January 2019. AgeingFit, Session Moderator. Lille, France
8. 3-4 July 2017. Member of the Jury - Projects Graduate Students - Food & Design. HAS University of Applied Sciences, 's Hertogenbosch, The Netherlands
9. 14-15 June 2017. Nutrevent. Moderator of Session "Cross-sectoral collaborations to nurture innovation: Inspiring case studies based on projects in Nutrition and Health and related industries". Lille, France.
10. 19-21 August 2016. Project Management Institute: Mega Exam Development Workshop. Frankfurt, Germany
11. 22 April 2016. Inspiration Session Career Perspective. Netherlands School for Primary Care Research. Eindhoven, The Netherlands
12. 7 April 2016. EuroFIR Food Forum. Co-Chair. Brussels
13. 16-19 November 2015. Training Leader: Botanicals Risk Assessment Training. Aqaba, Jordan
14. 17-18 June 2015. Nutrevent 2015. Expert Panel: Balancing Taste, Nutrition & Price. Lille, France
15. 3 April 2012 & 23 April 2013. European Nutrition **Leadership Programme**. Prepare and facilitate Case Study: Action Plan against Childhood Obesity. Luxembourg
16. 24 May March 2012. Nestlé & I: Outcomes of a Working Group on **Career Development**. Presentation to Leadership Team Nestlé Research Center
17. 14 July 2008. **Presenting ILSI Europe** to an international group of Nestlé collaborateurs. Nestlé Belgium, Brussels
18. 11-12 March 2008, **Public partnerships on nutrition** in Europe (invited presentation), VII International Congress on the Mediterranean Diet. Barcelona, Spain
19. 1-2 November 2007: Third meeting Network for **Nutrition Capacity Development in Central and Eastern European Countries**. Lecture and workshop on opportunities for CEE countries in EURRECA. Belgrade, Serbia
20. 10-13 July 2007. 10th European **Nutrition Conference** (FENS), Paris. Invited **Chair** of three Workshops and Sessions, and presenting EURRECA Essentials

Regulatory Affairs

21. 23 June 2018. World Wide Wageningen Alumni Reunion. Invited Speaker: Who can say what about diet & health? Vianen, The Netherlands
22. 21 June 2018. Food Law Event. Key Note Speaker: Who can say what about diet & health? Vianen, The Netherlands
16. 1 October 2013. Newtricious Expert Meeting. Providing insight on regulatory context and opportunities. Schiphol, Amsterdam
17. 27-29 May 2013. Nestlé Health Science: **Regulatory Affairs process mapping** workshop. St. Paul de Vence, France
18. 4-7 February 2013. Nestlé Health Science: **OptiFast Summit**. Regulatory Framework. Vevey,

Switzerland

19. 29-30 April 2011. International Conference on Processed Foods & Beverages for Health: Beyond Basic Nutrition. Invited presentations: 1) The **scientific substantiation** process for health claims, 2) **regulations / guidelines relating to functional foods**: Europe. **New Delhi**, India
20. 2 December 2010. **EFSA** Meeting on **scientific requirements for health claims** related to **gut** and **immune** function, Amsterdam. Nestlé representative for Q & A Session with EFSA NDA Panel
21. 14-16 December 2009. An **industry perspective** on **health claims**. ILSI Europe Workshop: Beyond PASSCLAIM – Guidance to Substantiate Health Claims on Foods, Nice, France
22. 27-28 August 2009. European **Health Claim Regulation**; Evaluations by the **European Food Safety Authority** (invited presentation). Clinical & Translational Sciences Institute (CTSI), Purdue University, Indiana, USA.
23. 3-7 November 2008. **Head** of ILSI **Delegation, Codex** Alimentarius Committee for Nutrition and Foods for Special Dietary Uses, Cape Town, South-Africa
24. 2 November 2008, ILSI Event on **Dietary Fibre** and **Micronutrient Recommendations**. Presentation of EURRECA (invited). Preceding 28th Session of the **Codex** Alimentarius Committee for Nutrition and Foods for Special Dietary Uses. Cape Town, South-Africa
25. 17 November 2006. ILSI Korea. Symposium on **Scientific Substantiation** and **Labeling** of **Health Claims** of Food for **Consumer Protection**. Seoul, South-Korea. Invited lecture Development of Scientific Substantiation of Claims - PASSCLAIM & EU Proposed Claim Regulation
26. 14 November 2006. Morinaga Milk Products, Yokohama, Japan. Invited lecture entitled Development of **Scientific Substantiation of Claims** - PASSCLAIM and EU Proposed Regulations on Claims
27. 29 October 2006. ILSI Southeast Asia. Seminar on **Scientific Substantiation** of **Claims**. Chiang Mai, Thailand. Invited lecture entitled Development of Scientific Substantiation of Claims - PASSCLAIM and EU Proposed **Regulations** on Claims
28. 7-10 March 2006: **Bioavailability** 2006, Chiang Mai, Thailand. Oral presentation on **PASSCLAIM** and **European regulatory situation**

Health claims & related communications

29. 14-15 May 2018. MoodFoods Third Integration Meeting. Expert-Advisor. Palma de Mallorca, Spain
30. 14-16 April 2018. 19th International Congress on Nutrition & Health. Key Note Speaker & Lecture and Co-Chair of Workshop. Amsterdam
31. 22-23 January 2018. Scientific Advisor, for Kick-off Meeting: Quality Information Services and Dietary Advice Personalised Nutrition in Europe (EIT Food 18064). Leuven, Belgium.
32. 30 November 2017. Gezonde misleidend. Food Trend College. HAS University of Applied Sciences, 's Hertogenbosch, The Netherlands (<http://nederlandvoedselland.nl/artikel/has-food-trend-college-gezonde-misleidend-1>)
33. 10 June 2016. BACCHUS Workshop: Best practice in health claims. Invited lecture: Health claims: some perspectives from food industry. Brussels
34. 5 November 2014; 16 April 2015. Representative of The Coca-Cola Company, for the ILSI Europe Functional Foods Task Force. Brussels
35. 15 November 2012. **Maximising information** & optimising misinformation. Seminar & training on scientific substantiation of health claims. Nestlé Research Center, Lausanne
36. 10 May 2012. Everything you always wanted to know about health claims. Nestlé Nutrition Network. Two virtual meetings, for Eastern & Western Hemisphere; from NRC Lausanne
37. 29 March 2012. Everything you always wanted to know about health claims. **Biotransformation Network**, Annual Meeting. Lausanne
38. 26 March 2012. Royal **Netherlands Academy of Sciences**. Symposium What is scientific evidence for **nutrition** and **health claims**. Invited lecture. Amsterdam, The Netherlands (<https://www.knaw.nl/nl/actueel/agenda/i-afdelingsdag-natuurkunde-i-br-knaw-symposiuma>)
39. 22 & 29 November 2011. Training: Everything you always wanted to know about health claims. Nestlé Research Center, Lausanne; Nestlé **Product Technology Center**, Konolfingen
40. 5-7 October 2011. International Symposium on Health Benefits of Foods - From Emerging Science to **Innovative Products**. ILSI Europe. Member of the Scientific Committee, Session Chair.

Prague

41. 10 May 2011. Health claims and their scientific substantiation. **Market** and R&D Nutritionists Training @ Nestlé Research Center, Lausanne, Switzerland.
42. 13 October 2010. Scientific substantiation of health claims. Training @ Nestlé **Product Technology Centre**, Orbe, Switzerland.
43. 11 May & 10 December 2010. Scientific substantiation of health claims. Training @ Nestlé Research Centre, Lausanne, Switzerland.
44. 9 February & 18 May 2010. Scientific substantiation of health claims. Nestlé **Regulatory College**, Vevey, Switzerland.
45. 17 December 2009, 11 May & 10 December 2010. Health claims and their scientific substantiation. Training @ Nestlé Research Center, Lausanne, Switzerland.
46. 9-11 May 2007. ILSI Europe **International Symposium** Functional Foods in Europe – International Developments in Science and Health Claims. Organisational support, poster presentation: Measurement and significance of **postprandial lipid metabolism**. Malta
47. 19 September 2005: Rennes, France. Meeting of **Centre Régional d'Innovation et de Transfert de Technologie** (CRITT) Santé Bretagne, invited presentation on **PASSCLAIM (in French)**
48. 12 November 2003: Lustrum **Symposium Pharmacy**, Utrecht University, The Netherlands. Oral presentation: Foods and **dietary supplements** with health claims
49. 23 May 2003: Gezondheidsbevorderende voedingsmiddelen. Congres van Nederlandse Vereniging voor Fytotherapie, en Nederlandse Vereniging voor Geneeskruidenonderzoek, Veldhoven, The Netherlands. Oral presentation Voedingsmiddelen en –supplementen met claims over gezondheidseffecten

Markers

50. 4-6 February 2013. Phenotypic Flexibility Symposium. Invited lecture: **Phenotypic Flexibility**. Madrid, Spain (presented online)
51. 20-22 January 2013. ILSI Annual Meeting. ILSI Europe Marker Initiative: **What makes a marker** a marker? Miami, Florida, USA (<http://www.ilsi.org/Documents/2013%20AM%20Presentation/Pijls.pdf>)
52. 27-29 June 2012. ILSI Europe Workshop: **Marker** Initiative in Nutrition Research. Organising Committee, Chair of Sessions. Lisbon, Portugal.
53. 9 November 2011. First BIOCLAIMS symposium on **biomarkers of robustness** in nutrition research. Invited lecture: Health claims and biomarkers – is “the **ability to adapt**” feasible as biomarker of diet related health? Tarragona, Spain
54. 15-16 September 2011. **Measuring health & Markers / Training Job Interviews**. Cross-Talk Network Meeting, Wageningen, The Netherlands
55. 8 March 2011. **Measuring Health**. Seminar, Nestlé Research Center. Presentation: Marking health effects: the use of **biomarkers** to **substantiate health claims** on foods. Lausanne, Switzerland
56. 20-23 September 2010. The **Rank Prize** Funds. Mini-Symposium on Nutritional **Biomarkers**: Present Science and Future **Opportunities**. Presentation: Marking health effects: the use of biomarkers to substantiate health claims on foods. Windermere, United Kingdom (1st industry speaker ever at Rank Prize).

Dietary Reference Values

57. 8-12 June 2009. EURRECA **Integrating Meeting** (overall Chair, several presentations), Barcelona, Spain.
58. 9-13 June 2008, Sveti Stefan, Montenegro. EURRECA Week 2008 (**overall Chair**, three presentations)
59. 6 May 2008. Expert Panel (invited), Workshop on **intake data**. **EU Salt**, Brussels
60. 26-27 September 2007. 2nd International EuroFIR Congress. Role of **food composition data** in improving quality, healthiness and **safety** of **European diets**. Presenting EURRECA. Granada

61. 2-5 April 2007, Lisbon, Portugal. EURRECA Week 2007 (overall Chair, three presentations)
62. 27-28 February 2007: ILSI Europe 2006 **General Assembly**. EURRECA **Network of Excellence**. Brussels
63. 27-31 August 2001: 17th International Congress of Nutrition, Vienna, Austria: Oral presentation: New Dutch **dietary reference intakes**

Fibre

64. 13 March 2017. Representing Cosucra in the ILSI Europe Pre- & Probiotics Task Forces Meeting. Brussels
65. 22-14 November 2016. Food Matters Live. **Presentation**: Exploring the benefits of chicory inulin to improve the gut barrier. Session: Evaluating next generation ingredients to support digestive health. London, United Kingdom
66. 1-3 July 2009. Member Scientific Committee (invited). **Chair** of Sessions on **pre-** and **probiotics**, and on physiological effects of **fibre** and their relevance for health. 4th International Dietary Fibre Conference. Vienna, Austria
67. 3 April 2009. 1) Using results of the EURRECA Network of Excellence to **align micronutrient recommendations across Latin-America**. 2) **Dietary fibre**. ILSI Brasil Annual Meeting, 1-3 April, Águas de São Pedro, Brasil
68. 6-8 December 2006: ILSI Europe Workshop on **Glycaemic Response** and Health (Organisation and coordination, Introductory presentation)
69. 21-24 July 2002: Society of **Risk Analysis** - Annual Meeting, Berlin, Germany. **Deoxynivalenol** (see J Risk Res 2005;8:1-10:547-56)

Protein, Kidneys & Diabetes

70. September 1998: 34th Annual Meeting of the **European Association** for the Study of **Diabetes**, Barcelona, Spain. Effect of **protein restriction** on **albuminuria** and **glomerular filtration rate** in NIDDM; a **randomised trial**
71. 9-10 January 1998: Netherlands Society for Diabetes Research, Amersfoort, The Netherlands. The effect of **protein restriction** during 18 to 24 months on the **renal function** of patients with type 2 **diabetes** without nephropathy: a **randomised study**
72. 22 September 1997: Symposium Werkgroep **Diabetes Epidemiologie** Nederland, Amsterdam, The Netherlands. Voordracht: Compliance with **protein- and saturated-fat restricted diets** in patients with non-insulin-dependent **diabetes** mellitus
73. 20-25 July 1997: 16th **International Diabetes Federation** Congress, Helsinki, Finland. Poster presentation: **Protein restriction** and **microalbuminuria** in NIDDM
74. 21 February 1997: Mini-Symposium **Diabetes Care** in **Primary Care**, Vrije Universiteit Amsterdam, The Netherlands. **Feasibility** of dietary **protein restriction** in NIDDM patients with, or at risk of microalbuminuria
75. 27 September 1996: Werkgroep **Diabetes Epidemiologie** Nederland, Amsterdam, The Netherlands. Dietary **protein restriction** and **microalbuminuria** in Type 2 **diabetes** patients without nephropathy
76. 1-5 September 1996: 32nd Annual Meeting of the **European Association** for the Study of Diabetes, Vienna, Austria. Poster presentation: Dietary **protein restriction** and **microalbuminuria** in Type 2 **diabetes** patients without nephropathy
77. 29 June – 2 July 1995: 13th **International Symposium** on **Diabetes** and **Nutrition**, Diabetes and Nutrition Study Group of the European Association for the Study of Diabetes, Boppard, Germany. Dietary intake of **protein** and **albuminuria** in patients with non-insulin-dependent **diabetes** mellitus
78. 2 June 1995: Symposium van het Nederlands Huisartsen Genootschap, Maastricht, The Netherlands. Dieetrouw bij een vet- en eiwit-beperkt dieet door patiënten met niet-insuline-afhankelijke diabetes mellitus, een **pilot**-onderzoek
79. 6-9 July 1994: Third International **Congress of Behavioral Medicine**, Amsterdam, The Netherlands. Poster: **Compliance** with a **fat-** and **protein-restricted diet** of patients with non-

insulin-dependent **diabetes** mellitus

80. 20-23 May 1993: 11th Annual Meeting of the **Anglo-Danish-Dutch Diabetes Group** (ADDDG), Holstebro, Denmark. Effect of a **protein restricted diet** on **renal function** in patients with non-insulin-dependent **diabetes** mellitus (NIDDM) without nephropathy

Public Health & Self-Rated Health

81. 29 November 1993. Workshop **Comorbidity** and **Chronic Diseases** – research and care. Vrije Universiteit Amsterdam, The Netherlands
82. 26 November 1993: Symposium van het Nederlands Huisartsen Genootschap, Amsterdam, The Netherlands. **Self-rated Health, mortality, and chronic diseases** in elderly men. **Zutphen Study** 1985-1990
83. 27 June – 1 July 1993: 3rd International Conference on **Preventive Cardiology**, Oslo, Norway. Oral presentation: **Self-rated health** and **mortality** from and the incidence of **cardiovascular diseases** in elderly men; The **Zutphen Study** 1985-1990
84. 11-12 December 1992: Symposium Working Group **Epidemiology** and Prevention, European Society of **Cardiology**, Gent, Belgium. Poster presentation: **Self-rated health** and **mortality** from and the **incidence** of **cardiovascular diseases** in elderly men: Zutphen Study 1985-1990
85. 23-24 April 1992: 18th Congress Netherlands **Epidemiological Society**, Rotterdam, The Netherlands. Ervaren gezondheid, chronische aandoeningen en sterfte bij oudere mannen (**Zutphen Studie**, 1985-1990)

Other participation at Congresses & Symposia

1. 18-19 October 2019. Pioneering Nutrition Symposium. Wageningen University.
2. 17 October 2019. Foodvalley Summit: The Protein Plan(et). Wageningen
3. 16 October 2019. World Food Day - Food 2030. European Commission, Brussels
4. 11 October 2019. Future Food - Yearly Symposium. Utrecht University, The Netherlands
5. 3 October 2019. NatuurProducten Nederland. Symposium. Eemnes, The Netherlands
1. 9 July 2019. Conference: Innovative Food. Unblocking Innovation - Towards Food 2030 - Envisaging Food 2050. European Economic and Social Committee. Brussels
2. 16 May 2019. The Future is Green: The Protein Transition. Symposium - The Netherlands National Academy for Nutritional Sciences, hosted by DSM, Delft, The Netherlands
3. 26 February 2019. The Contribution of Organic Agriculture to the SDGs: Scientific evidence from comparative research. Brussels
4. 17 January 2019. Voeding en Geneeskunde: reinventing the dream team! Prof. Gerjan Navis. National Academy for Nutritional Sciences, Driebergen.
5. 16 January 2019. Mind Mood Microbes: The science of gut feelings. Planetarium, Artis, Amsterdam
6. 27 November 2018. Organic & Origin - High-Level Conference. Ivan Jakovcic, MEP; Phil Hogan, European Commissioner Agri & Rural Development. European Parliament, Brussels
7. 20 November 2018. Breakfast on Breakfast. Mr John Procter, MEP. European Parliament, Brussels
8. 18 October 2018. MyNewGut. Final Conference. Brussels
9. 16 October 2018. Food 20130. Research and Innovation for a ZeroHunger World. Brussels
10. 18-21 Sept 2018. EFSA Conference "Science-Food-Society". Parma, Italy
11. 22-23 June 2018. Symposium Food for the Future. Wageningen
12. 12 June 2018. Trendcollege: Personalised Nutrition. HAS, Den Bosch, The Netherlands
13. 6 June 2018. International Forum on Food and Nutrition. Barilla Center for Food & Nutrition Foundation. Brussels
14. 24 May 2018. Food Law Class: Food Governance and EU Procedure. Loyens & Loeff, Brussels
15. 26 April 2018. Food Security in Europe. European Academies's Science Advisor Council. Brussels
16. 24 March 2018. Communicatie omtrent voeding en gezondheid. Koninklijke Academie voor Geneeskunde van België. Brussel
17. 22 February 2018. Food Law Class: Excises and tariffs – Impact of CETA – National importations, including import and export certificates. Loyens & Loeff, Brussels
18. 31 January 2018. 12 January 2017. Public Lecture - Prof. Martijn Katan. Netherlands Academy for Nutritional Sciences. Driebergen, The Netherlands
19. 25 January 2018. Food Law Class: Analysis of relevant case-law – Trademarks used to emphasise quality or origin – Patents rights – Protection of know-how, including application of the new Trade Secrets Directive. Loyens & Loeff, Brussels
20. 24 January 2018. Wageningen University - Jubilee Dinner. Introduction by prof. Louise Fresco, President WU; The Ambassador for The Netherlands. Ambassador's Residence, Brussels
21. 14 December 2017. Food Law Class: Nutrition & Health Claims. Loyens & Loeff, Brussels
22. 28 November 2017. Louvain4Nutrition Conference, Université Louvain-La-Neuve, Belgium
23. 22 November 2017. Golden Bridge Trade & Investment Awards 2017. British Ambassador's Residence, Brussels
24. 21 November 2017. Alumni Event Wageningen University, European Federation of Bottled Waters, Brussels
25. 16 November 2017. Food Law Class: Voluntary Food Information. Loyens & Loeff, Brussels
26. 18 October 2017. Made to order – personalising food & drink for health and preference. Leatherhead Food Research - Member Day. Epsom, United Kingdom
27. 16 October 2017. Harnessing Research and Innovation for FOOD 2030: A Science Policy Dialogue. European Commission, Brussels
28. 27-29 September 2017. 10th Protein Summit. Reims, France
29. 6 June 2017. Food Security and Nutrition in an Urbanising World. [International Food Policy Research Institute \(IFPRI\)](#). Brussels
30. 17-18 May 2017. Food & Agri Next 2017 - Investors meet Food & Agri Startups, Wageningen, The Netherlands

21. 9 May 2017. Yakult, Almere, The Netherlands. Excursion Netherlands Academy for Nutritional Sciences
22. 5 April 2017. EuroFIR Food Forum 2017. Brussels
23. 4 April 2017. RICHFIELDS Stakeholder Workshop on The Food and Consumer Platform. Brussels
24. 30-31 March 2017. ILSI Europe Annual Symposium. Brussels
25. 24 March 2017. Optimal vitamin D nutrition and health through the life cycle - ODIN. Brussels
26. 22 March 2017. Secret Morning Society. Brussels
27. 21 March 2017. Netherlands Academy for Nutritional Sciences. General Assembly & Spring Forum. Wageningen, The Netherlands
28. 24 January 2017. ESOMAR European insights Summit - Celebrating the Social Value of Research. Flemish-Europe Liaison Agency, Brussels
29. 19 January 2017. Met voeding diabetes genezen: wat is het bewijs? Seminar HAS Hogeschool. Den Bosch, The Netherlands
30. 12 January 2017. Public Lecture - Prof. Jaap Seidell. Netherlands Academy for Nutritional Sciences. The Hague, The Netherlands
31. 30 November 2016. Reducing Food Waste - Improving Food Safety. Symposium "Initiative on resource efficiency: reducing food waste, improving food safety. European Parliament, Brussels
32. 15 November 2016. Alliance for Youth. European Parliament, Brussels
33. 13 October 2016. FOOD 2030 - Research and Innovation for Tomorrow's Nutrition and Food Systems. Conference by DG RTD FOOD. Brussels
34. 11 October 2016. Symposium: European Agricultural Research towards greater impact on Challenges (ARCH). Brussels
35. 9 September 2016. From agricultural to food policy and beyond. Mansholt Lecture by prof. Louise Fresco, President of Wageningen University & Research. Brussels
36. 28-29 June 2016. EFSA Nutrition (NDA) Panel, 73rd Plenary meeting. Brussels
37. 21 June 2016. Nestlé's Celebration of 150 years of passion for nutrition. Brussels
38. 15 June 2016. Final conference CLYMBOL: Role of health-related claims and symbols in consumer behaviour. Brussels
39. 2 June 2016. RICHFIELDS Stakeholder Platform. Brussels
40. 26 May 2016. Netherlands Academy for Nutrition Sciences - on location. Maastricht
41. 28 April 2016. INSEAD Business School. Master Class "Dealing with Uncertainty", by Professor Enrico Diecidue. Brussels
42. 6 April 2016. NU-AGE Final Conference. Brussels
43. 18 March 2016. National Diabetes Day 2016. Amersfoort, The Netherlands
44. 18 February 2016. Workshop DISH-RI. Brussels
45. 16 February 2016. Workshop "Better Food for Better Health". WHO Brussels Office to the EU & Regional Office, in collaboration with the Netherlands EU Presidency. European Parliament, Brussels
46. 21 January 2016. Public Lecture - Louise Fresco. Netherlands Academy for Nutritional Sciences. The Hague, The Netherlands
47. 18 December 2015. Master Class - Symposium 'Gif op mijn bord'. Maastricht, The Netherlands
48. 8 December 2015. QUISPER - Quality information services for personalised nutrition and lifestyle advice. Platform Launch, Leuven, Belgium
49. 6 November 2015. New Food-based Dietary Guidelines - The Netherlands Health Council. Debate by the Netherlands Academy for Nutritional Sciences. Leiden, The Netherlands
50. 20-23 October 2015. Federation of European Nutrition Societies. FENS 12th Nutrition Conference. Berlin, Germany
51. 5-8 September 2015. European Society for Clinical Nutrition and Metabolism (ESPEN) Congress. Lisbon, Portugal
52. 19 June 2015. 3rd International Conference: Joint Programming Initiative A Healthy Diet for a Healthy Life. Brussel
53. 29 April 2015. Start your Own Business in Belgium. ING, Brussels
54. 24 April 2015. Rethinking Business Communication - training by Lars Sudmann, Brussels
55. 23 April 2015. Kick-Of Platform Balanced Nutrition - Flanders Food. Affligem, Belgium
56. 19 March 2015. ILSI Europe 2015 General Assembly of Members. Brussels
57. 10 March 2015. The Netherlands Academy for Nutritional Science: Spring Forum - Nutrition, inflammation and insulin resistance; General Assembly of Members. Utrecht, The Netherlands

58. 26 February 2015. Closing symposium EU-funded project Food4Me: Can personalized nutrition make bigger gains in behavior change, health and wellbeing? Brussels
59. 4 November 2014. Healthier Food Choices in Europe – Breakfast Debate. Choices International. European Parliament, Brussels
60. 28 April – 2 May 2014. Global Leadership Forum Scientific & Regulatory Affairs, The Coca-Cola Company, Atlanta, USA
61. 27 March 2014. Symposium "From food scarcity to food abundance (in Dutch). Netherlands Nutrition Centre, The Hague
62. 20 March 2014. Netherlands Academy for Nutritional Sciences, General Assembly of Members & Spring Forum: Dietary protein in nutrition: enough evidence for new recommendations? @ Friesland Campina, Wageningen, The Netherlands.
63. 13 March 2014. Supplements Meeting. NPN, Zeist, The Netherlands
64. 15-16 May 2013. **VitaFoods** Europe, Geneva
65. 7-8 November 2012. EFSA Scientific Conference Challenging boundaries in **risk assessment** – sharing experiences. Parma, Italy
66. 17-19 October 2012: 9th Nestlé International Nutrition Symposium. Nutrition and the Biology of Human **Ageing**. Nestlé Research Center, Lausanne, Switzerland
67. 22-24 January 2012: ILSI Annual Meeting, Phoenix, Arizona, USA
68. 26-29 October 2011. 11th European **Nutrition** Conference, Federation of European Nutrition Societies. Madrid
69. 20-21 October 2011: 8th Nestlé International Nutrition Symposium. Nutrition & the **Immune** System. Nestlé Research Center, Lausanne, Switzerland
70. 12 October 2011. EFSA Workshop on Independence and **Scientific Decision-Making** Process. Brussels
71. 24-25 March 2011. ILSI Europe Annual Symposium: Science for Health, Brussels
72. 22-25 January 2011: ILSI Annual Meeting, Orlando, Florida, USA
73. 27-29 October 2010: 7th Nestlé International Nutrition Symposium. Nutrition and **Epigenetics**: Modulating the Genetic Blueprint. Nestlé Research Center, Lausanne, Switzerland
74. 1 June 2010. EFSA Technical meeting with stakeholders on recent developments related to **health claims**. Parma, Italy
75. 30 May 2010. Journée **biomarqueurs** (in French). ANIA, NSL, Valorial, Food For Life France, ACTIA. Paris
76. 24-28 April 2010: **Experimental Biology**, American Society for Nutrition. Anaheim, California, USA.
77. 10 December 2009: NutraIngredients **Health Claims** 2010. Developing your strategy to survive the EU shake-up. Brussels
78. 21-23 October 2009: 6th Nestlé International Nutrition Symposium. Nutrition & **Health Economics**. Nestlé Research Center, Lausanne, Switzerland
79. 26-27 March 2009: ILSI Europe Annual Symposium. Assessing and **Communicating** Risks and Benefits. Brussels, Belgium
80. 16-21 January 2009: ILSI 2009 Annual Meeting, Tucson, Arizona, USA
81. 16-18 September 2008. EuroFIR **Network** Meeting. Prague, Czech Republic
82. 13-14 March 2008. ILSI Europe 2008 General Assembly, Brussels, Belgium
83. 18-23 January 2008: ILSI 2008 Annual Meeting, Rio Grande, Puerto Rico
84. 12-16 November 2007: **Codex** Alimentarius Committee for Nutrition and Foods for **Special Dietary Uses**, Bad Neuenahr, Germany
85. 18-20 September 2007: **Institute of Medicine, Food and Nutrition Board** Workshop. Development of **DRIs**, 1994-2004: Lessons Learned and New Challenges. Washington DC, USA
86. 19-24 January 2007: ILSI 2007 Annual Meeting, Cancun, Mexico
87. 9-10 January 2007: EuroFIR **Governing Council**, Rome, Italy
88. 6-7 November 2006: Sectoral Workshop Helping consumers to choose healthier and more balanced diets.
